

c) REMARKS

The claims are 17-40, with claims 17 and 30 being independent claims.

In updating the status of the claims on allowance, applicants became aware of a typographical error in claim 17 which required correction. Correction of this obvious typographical error requires no new search nor does it raise new issues nor require any material work on the part of the Office.

This amendment should be entered, since it corrects an obvious typographical error.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

Attorney for Applicants
